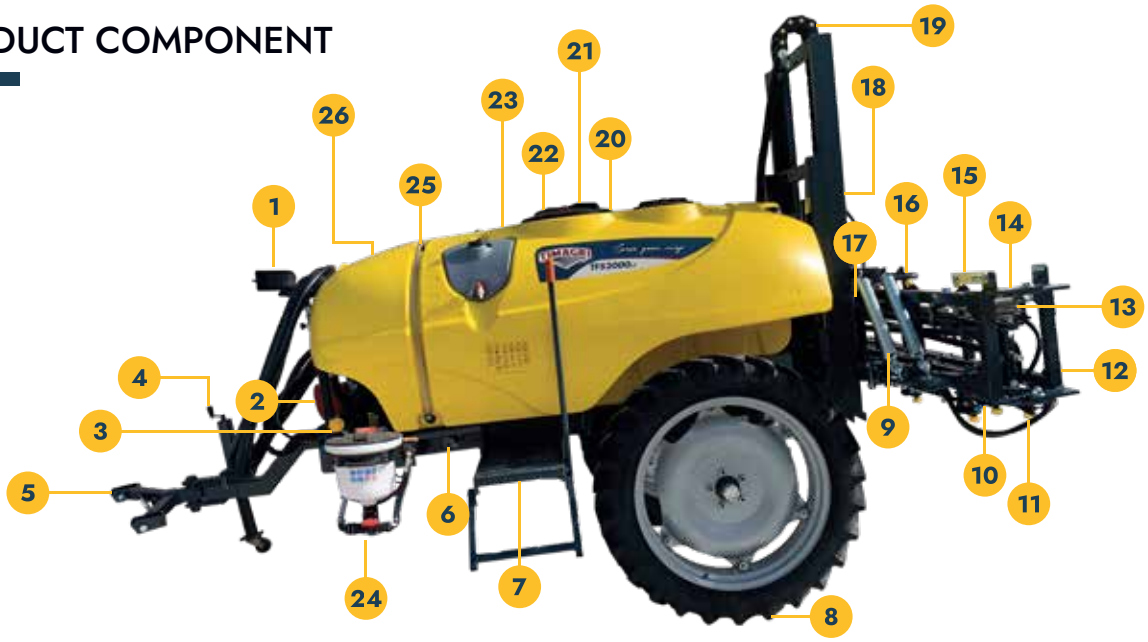
TFS 2000 ADK

The TFS2000 ADK 16m sprayer is a favourite amongst farmers who value an efficient, convenient and durable sprayer.

PRODUCT COMPONENT



1 5 way control box enables easy section control and prevents pressure devation in section opening/closing. Safe application is ensured without spraying hose in-cab	2 Annovi Reverberi AR 135 BP C pump with a flow rate of 128 l/min & 20 bar pressure
3 Suction filter with check valve	4 Chassis adjustment jack
5  Wide angle drawbar	6  Tank drain valve
7 Ladder with grip	8 270/95R44 Tyres
9  The balance spring dampens the wobble when passing through an uneven place.	10 It keeps the boom in a parallel line in manual boom systems and prevents it from moving during operation.

11

Agrotop Airmix Anti-Drift Nozzle- Red, Yellow, Grey

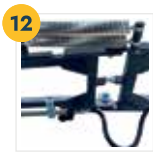
Nozzles enable farmers to apply pesticides within an optimum time frame, even when weather conditions are less favorable, and large areas must be treated.

- Drift reduction up to 90 % depending on size and pressure
- Protects environment
- Saves money
- Excellent penetration
- Spray applications are more independent of weather conditions
- Reduce contamination of the environment, neighbor crops or persons with chemical spray

Arag Unijet - 50cm Nozzle Spacing

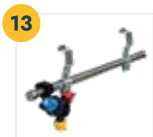
20mm clamp/7mm hole diameter

12



Springs that facilitate manual closing also prevent the boom from opening when closed.

13

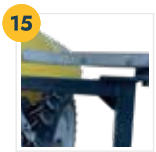


1/2" stainless steel nozzle holder pipe

14

16 m,light and the durable semi-automatic boom is made of ST 52 steel

15

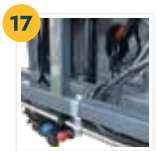


Lock mechanism that prevents it from closing when the boom is in the open operating position.

16

Lock system that prevents the boom from opening during transportation

17



Piston with elevator system that provides up and down movement of the boom

18

5 units of line filters

19

Hose/ Cable protection

20

Hinged tank lid

21

Tank rinsing Jet

22

Hydraulic powder mixer

23

Hydraulic tank ggitator Ø2.0 / Ceramic

24

Arag 30 L Niagara mixing tank

25

Tank level indicator with hose

26

UV polyethylene tank equipped with clean and hand washing features
